

Jellurgal

Aboriginal Cultural Centre

Aboriginal cultural awareness/education

Jellurgal Aboriginal Cultural Centre is the first of its kind in operation, exclusive to the Gold Coast. It has been authorised and established by the traditional land owners of the Gold Coast and supported by parent organisation, Kalwun Development Corporation. Jellurgal boasts a wide range of activities, governed by its proximity to the Burleigh Headland, and truly was the focal point in Aboriginal lifestyle pre-contact. Jellurgal is the perfect place to reconnect with *Jarra* (Mother Earth).
